**4. Clinical Note:** In Type 2 diabetes, risk for nephropathy increases during pregnancy. Traditionally, blood glucose levels have been measured by a HbA<sub>1c</sub> test with a trough sample or after a glucose load. However, the International Federation of Gynecology and Obstetrics (FIGO) has recommended that pregnant women have two tests to evaluate the risk for nephropathy: a creatinine clearance test and a HbA<sub>1c</sub> test. Women with gestational diabetes with a HbA<sub>1c</sub> level of 6.5% or higher should undergo a creatinine clearance test to rule out chronic kidney disease.

*fogarty*

### BED MAKING MADE EASY

Just shake and roll these Continental Quilts to make your bed. Heat retention without weight, keeps you warm in winter. Covers should be washed with Continental Quilts, Persuasion and accessories, see pages 100-101.

Please note: The thermal insulation properties of a Continental Quilt is expressed by the term "tag". The higher the tag, the warmer the quilt. The new 'slimbedown' range of quilts have a tag rating of 4.0 (tag), 6.0 (tag), 7.0 (tag), 9.0 (tag), 10.0 (tag), 12.0 (tag) and 13.5 (tag). All quilts conform to BS5330. Where changes have been implemented to assist with new British Standard ratings, you may receive a quilt with a slightly higher tag rating than shown in this test.

Continuity of quilt sizes:  
4.0 x 5.0 fm.3 bed

# Buying is Easy

- 1 Check what you want from the Master Catalogue at the Selection Desk in the Showroom
- 2 Fill in the Selection Form - Catalogue number and quantity
- 3 Take your completed Form to the point marked 'Service'. Our staff will be pleased to help if you need assistance. Your purchases come from the stockroom where you make payment.
- 4 Simply take them home - it's as easy as that!

# No Hidden Extras

Argos prices already include VAT so there are no 'Hidden' extra costs to pay.

Because our prices are low you pay less VAT.

Our funding policy is to provide you with big savings on everything we sell, but in the event of changes in the rate of VAT, or for any other reason beyond our control, we may have to make adjustments, so please check the Master Catalogue, in your Argos Showroom.

# Ways to Pay

You may purchase using cash, Argos gift Vouchers or cheques. (Cheques up to £50 are accepted immediately if accompanied by a Banker's Card.)

Alternatively, you may wish to use an Argos Budget Account.

No deposit credit terms.

Credit available up to 24 times your monthly repayment.

Apply at any Argos Showroom to open an Argos Budget Account.\*

An ideal way to pay for any item or items purchased from the catalogue, especially when wishing to spread your payment over a period of time on such items as Ryan, Hi-Fi, Video and Jewellery.

For example, a monthly repayment of £10 gives you credit of £340. Interest of 2% of the balance outstanding will be charged to your account each month.

A.P.R. 26.6% (Banker's Order/National Giro Order repayment).

(Interest rates quoted correct as at November 1st 1983 but may vary. The current rates are available from any Argos Showroom)

Access and Visa Cards are welcomed in all our Showrooms.

# Origin Marking

All items illustrated in this catalogue which are covered by the Trade Descriptions (Origin Marking) (Miscellaneous Goods) Order 1981 will be marked with or accompanied by an indication of country of origin.

# Our Pricing Policy

The Argos prices shown in this catalogue are generally compared with Recommended Retail Prices provided by our suppliers.

Where Recommended Retail Prices are not available at the time of going to press, they have, where possible, provided Suggested Retail Prices. All sums, weights and capacities are approximate. It is possible that descriptions may have changed if the supplier, for instance, has altered his specifications or that there has been a change of the supplier after the Catalogue has gone to press.

This catalogue, effective from January 23rd 1984, supersedes all previous catalogues or brochures and replaces them either until further notice.

Prices stated in this catalogue were established during October 1983. Information is compiled with all possible care, but the publishers do not hold themselves responsible for errors or omissions.

# Gift Vouchers as Incentives

As well as being ideal as presents for all occasions, Argos Gift Vouchers make attractive prizes for staff incentives and safety schemes.

They have the advantage of simplicity and acceptability - plus a really made catalogue of high quality, with famous name products at discount prices. They can be used at any one of the Argos Showrooms throughout the country. In addition to the £1, £2, £3 and £5 vouchers sold in our Showrooms we can supply you with £10 denominations and you may qualify for a cash rebate on bulk orders.

If you are planning an incentive scheme our Incentive Sales Department will be happy to discuss your requirements - just ring 01-951 1363.
